

SHORTHORN REDUCTION SALE

Saraguay Farms

DALHOUSIE STATION, QUEBEC

MONDAY, OCTOBER 4th, 1976

1:00 P.M. at the FARM

MRS. W. C. PITFIELD
Owner

WAYNE GREENSHELDS
Herd Manager

FOREWORD

The Saraguay Shorthorn herd has long been known as one of Canada's premier Shorthorn herds. A large herd has always been maintained, and now the time has come to reduce the herd numbers. This sale represents approximately one half of the entire herd, and the cattle selling were carefully selected to ensure that you have the opportunity to select females from the many famous cow families in the Saraguay herd.

The owner of Saraguay, Mrs. W. C. Pitfield, has been breeding Shorthorns since 1953, and has continually purchased the very best seed stock available. Well known to Shorthorn breeders throughout North America, she was honoured by the Shorthorn World in 1970 as a "Builder of the Breed".

We hope that you will be with us on sale day, and we feel confident that you will find Shorthorns in this offering that will help you in your breeding program.

A. A. (Bert) Pepper,
Secretary-Manager.

Terms and Conditions of Sale

TERMS: The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

RISK: All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

ERRORS: If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

CERTIFICATE: Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal).

SHIPPING: Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

Immediate Delivery unless arrangements have been made with the sales management.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
 - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.
 - (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.
4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behaviour of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each lot.
